World's Largest Inflatable Water Slide Comes to St. Augustine!

ST. AUGUSTINE, FL - Adventure Landing in St. Augustine is opening the World's largest inflatable water slide, called the Hippo Slide, on Saturday, July 4th. Towering 35 feet in the air and 175 long, the slide will provide fun and much relief from the season's heat.

"We are happy to add this attraction to our St. Augustine location," explains Hank Woodburn, founder and managing Partner for Adventure Landing, which owns and operates ten locations: three in Florida, three in North Carolina, three in New York and one in Texas. "The ride is exciting and also refreshing since it gets so hot here in Florida." Riders are encouraged to wear their bathing suits.

Fourth of July Grand Opening Special

On Saturday, guests can purchase a pass for \$10 and get unlimited rides on the Hippo Slide.

The Hippo Slide is owned and operated by First Coast Waterworks, Inc. and is manufactured by Freestyle Slides in Tampa. For questions regarding the slide, please contact Jason Faddis, (865) 271-8457.

The St. Augustine location is the newest Adventure Landing, and it features some of the same family-friendly attractions found at other Adventure Landing parks: two well-landscaped 18-hole miniature golf courses, a 1/4 -mile go-kart track, a kiddy go-kart track, batting cages and a large game room. Birthday parties and group outings are also featured.

Adventure Landing is dedicated to providing good, clean family fun and to exceed guests' expectations.
